At Steppin' Out Adventures, we're all about creating meaningful and unforgettable travel experiences for our community—and we love helping you make the most of every trip!

In order to curate our special group trips, we only offer a few destinations a year. But we know that sometimes our trips don't fit in your schedule, or our confirmed destinations are ones you've already done. That's why we not only offer the opportunity to customize one of our special itineraries for you, **but also why we partnered with some of our favorite and most trusted travel companies to offer exclusive discounts for our members when booking through us.**

As partners with some of the top companies, like Backroads, we get a commission from them and as members of our community, we want to share and split it with you! We're truly excited to share these special savings with you!

All you have to do is book what you would normally book on your own, but call us to book it. We not only can sometimes get a better deal, but we can add our expertise and work with the company to ensure that you have the right trip with everything in order.
