Steamboat Adventures: Powder Light, Fun Level MAX

Our Steppin' Out Steamboat ski trip proved once again that the best ingredient for an amazing week isn't the snow—it's the people. While the powder teased us until the last day (classic!), we packed the week with nonstop fun.

We had a huge shared condo that became the heart of the trip: homemade breakfasts each morning, late-night games, deep conversations, laughter echoing from one end of the room to the other and—yes—an open bar that somehow stayed stocked all week. One participant led rejuvenating yoga classes in the loft, while another transformed overripe bananas into fresh, delicious banana bread.

Evenings out were a highlight, with Italian and Spanish dinners where the food just kept coming and no one left hungry. Our group Escape Room adventure surprised us all—three rooms, three stories (a mountain heist, an old saloon robbery, and a Poe-inspired mystery), and unanimous agreement that it was one of the best they've ever done.

Some soaked in the legendary Strawberry Park Hot Springs while others enjoyed the in-town option. Between the skiing, boarding, snowshoeing, hiking, soaking, eating, shopping, laughing, puzzling, and relaxing… a great time was truly had by all.

There was an unanimous agreement that this shouldn't be the last ski trip, and we discussed how to keep it going. Stay tuned for an update.

And She's Off....This time to China

Well Robin is headed off to China this week, a little investigating for a future trip as well as to be better equipped to help people who are thinking of traveling there. There are a lot of restrictions. Hopefully, she'll stay out of jail (just joking). The things we do for research. In any event, email and phone calls will be hard, so please be patient in expecting a reponse. You can always **contact Kait** at Steppin' Out for any immediate need.

9 Places to Beat The Crowds This Summer

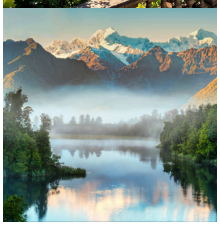

Europe with a Twist

Five options for sun-drenched scenery without the peak-season squeeze

- **Montenegro:** Medieval coastal towns, Adriatic views, and charming Old World architecture in places like Kotor and Perast.
- **Albania:** Crystal-clear beaches, historic stone villages, and a relaxed Mediterranean vibe, often compared to Croatia before the crowds.
- **Portugal:** From Comporta's laid-back beach luxury to the volcanic landscapes of the Azores and the classic coastline of the Algarve, Portugal blends culture, scenery, and adventure.
- **Greek Islands:** Private villas, turquoise Aegean waters, long seaside lunches, and sunset swims, an effortless way to experience island life. There are less popular but equally beautiful islands like Corfu.
- **South of France:** Riviera glamour, elegant seaside towns, world-class dining, and iconic Mediterranean beaches.
-

Southern Hemisphere

Three compelling reasons to flip seasons

- **South Africa:** Cape Town's incredible dining scene, the Western Cape's celebrated wineries, and unforgettable wildlife experiences.
- **Australia & New Zealand:** Skiing in New Zealand's Southern Alps, whale watching along Australia's east coast, and fewer visitors at natural wonders like the Great Barrier Reef.
- **South America:** Epic contrasts in one trip, from Chile's ski slopes and wine country to Patagonia's glaciers, Buenos Aires' dining scene, and wildlife in the Galápagos and Amazon. And it's still a great time to get to Peru!
