Bhutan Group Trip:

October 23 - November 3, 2026

Watch the highlights from our last Bhutan Group Adventure below! 👇

Bhutan is calling... but time is running out to join this group trip.
Hidden deep within the Himalayas, Bhutan remains one of the world's most extraordinary and least-visited destinations. A place where ancient monasteries perch on dramatic cliffs, colorful prayer flags dance in the mountain wind, and centuries-old traditions are still woven into everyday life.

This October, we'll journey through breathtaking valleys, explore sacred temples and fortress monasteries, experience the vibrant Jambay Lhakhang Drup Festival, and hike to the legendary Tiger's Nest Monastery. It's the kind of destination travelers dream about for years. And to be honest, we're not sure how much longer it will remain so pure and not yet taken over by commercialism.

Explore our detailed itinerary, link below, and discover our vast range of experinces and why Bhutan is unlike anywhere else you've been. If you can't make these dates, we can offer custom departures, but don't wait.

⚠️ The deposit deadline is approaching quickly.

We must receive a $500 deposit by June 27 to confirm departure. If we do not reach the minimum number of travelers, the trip will be postponed to a future date.

If Bhutan has been on your bucket list, this is the moment to say yes.

Don't wait until it's too late to secure your place. **Email** or call 847-414-4956.

Sign-up deposits due June 27

⭐ Travel Tip ⭐

The Silent Hotel Danger Most Travelers Don’t Think About

You remember your passport. Your phone charger. Your favorite walking shoes.

But one small item many travelers never think to bring? A portable carbon monoxide detector.

Carbon monoxide is a dangerous, invisible and odorless gas that can build up in faulty heating systems. Which is why it's often called a "silent threat", and when you’re staying somewhere new, whether it’s a hotel, cabin, or vacation rental - this little device can provide an extra layer of peace of mind.

It’s lightweight, easy to pack, and one of those “better to have it and not need it” travel essentials.

Because the best adventures are about feeling confident every step of the way. 🌎
