We know we have been doing more exotic, international trips these last few years, so we've decided to come back to our roots and we're extra excited about it. We designed a long weekend at Green Lake, Wisconsin (Sept. 19-21) —that's local, laid-back, and designed for reconnection. We picked Green Lakes because one of our founding members bought a hotel, a restaurant, a bar, a spa and who knows what else (usually midlife crisis is a sports car) there and he upgraded everything and I thought it would be perfect for a gathering.

Whether you're craving peaceful lake views, outdoor adventures, or just a break from the everyday, Green Lake is calling — and this is your moment to answer.
