Who is Steppin' Out Adventures!?

Not a Tour Group - A Travel Community

It all started in 1993, with a simple but powerful idea: build community through travel.

Fueled by her own love for exploration, Robin Richman transformed a small social club into a global travel company to create journeys that go far beyond sightseeing. She wasn't interested in ordinary trips — she wanted to design experiences that challenge, inspire, and

connect people in meaningful ways. From discovering new cultures to pushing personal boundaries, every adventure was crafted to help travelers truly live the moment and grow through it.

Fast forward to today, and Steppin' Out Adventures has become even more than a travel company.

It's a vibrant community where friendships blossom, adventures spark inspiration, and even love stories begin — with over 82 couples meeting on our trips and tying the knot! Lifelong friendships, travel buddies, and unforgettable memories all have their roots here.

While we began by bringing Jewish singles together, our offerings have expanded to include:

- Family adventures
- Legacy and giving-back trips
- Educational getaways
- Fully customized group experiences

Our featured group departures often attract Jewish solo travelers in their 40s, 50s, and 60s — simply because they've found us and keep coming back. But we welcome everyone, and by popular demand, we're now launching local chapters and travel opportunities for those in their 20s (please **contact us** if you are interested or know someone who might be)

Robin brings over 30 years of travel expertise and connections to help people find the right experience — even if it's not one we curate ourselves. So let us find the right cruise or culinary focused trip, for examples, for you and we'll get it for you at a discounted price. Regardless, our mission remains the same: to help you step out, connect deeply, and create moments that last a lifetime. Wherever you're headed next, we invite you to go beyond the ordinary — and discover just how extraordinary travel can be.

To new horizons,
The Steppin' Out Team

We're in Iceland!

In preparation for our Iceland adventure coming this October 24-31, 2025 (and to help others plan their Iceland adventure), we went to find those Steppin' Out gems in Iceland. From the woman saving the Icelandic goats, to learning about the Icelandic horse's unique gait, to hiking a glacier and experiencing cooking from the geothermal pools, this investigative trip is filled with firsts! Read more **here** and/or join our Q & A on August 26th. Register **here.**

⭐ *Travel Tip* ⭐

TSA PreCheck for Families — Travel Just Got Easier

If you've ever traveled with kids, you know how stressful airport security can be. Good news—TSA PreCheck has some helpful options that make things a bit easier for families.

Kids 12 and under don't need their own TSA PreCheck membership. They can go through the PreCheck line with you, as long as you have it.

Teens 13 to 17 can also use your PreCheck line if they're on the same reservation and their boarding pass has the PreCheck checkmark.

There's also a limited-time offer running through October 31: if two people enroll together at the same location (IDEMIA), one gets $15 off. It's a nice way to save if you're signing up with a partner, friend, or family member.

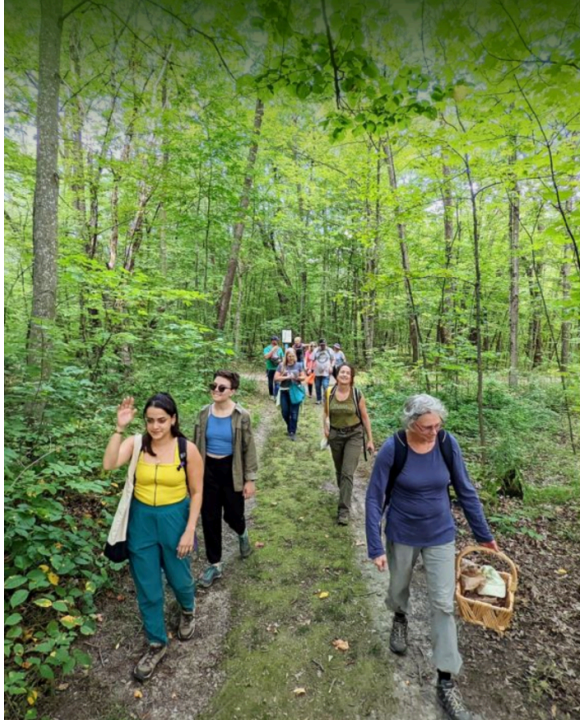

With shorter lines and fewer things to take off or pull out of your bags, it's a small shift that can make a big difference on travel day.
If you've got any trips coming up, it might be worth looking into.

A Celestial Event, A Cultural Journey: Eclipse 2026 in Northern Spain

While I will be in Africa August 2026, a colleague is creating a trip to Northern Spain —where rich culture, stunning landscapes, and a once-in-a-lifetime total solar eclipse come together.

Starting in San Sebastián, soaking up seaside charm and tasting some of the best food in the world. Then it's on to Pamplona, where history, traditions, and local flavors fill the streets. In Olite, step into the past at the lively medieval festival, with its castle, cobblestones, music, and pageantry. Next, wander through Rioja wine country, staying in Logroño to enjoy vineyard visits and tapas-filled evenings.

In Soria, stand right in the path of the 2026 total solar eclipse—an awe-inspiring moment you'll never forget. We'll wrap up in Bilbao, where old-town beauty meets bold, modern art and architecture.

This will be an unforgettable experience for travelers who want authentic culture, incredible food and wine, and a front-row view of one of nature's rarest wonders.
