One Last Run: Join Our Final Ski Adventure

Steamboat Springs, Colorado

February 28 - March 7, 2026 (shorter options available)

After 31 unforgettable years of adventure - and countless epic ski trips - I'm announcing that this *upcoming trip will likely be the last ski journey* in its current form.

This tradition has been a cornerstone of our community, and this year, we're going out in style. But here's the thing: space is limited, and interest is already building. If you've ever thought about joining, this is the moment. Let's make this final ski trip one for the books.

Whether you're a longtime regular or someone who's always wanted to come, I'd love for you to be part of this celebration of snow, spirit, and shared history.

This isn't the end of my company - far from it. I'll continue creating custom adventures and may organize future ski trips if there's interest. But this is the last one as you've come to know it — and it deserves a proper send-off. Don't miss your chance to be part of this milestone.

Spots will go fast - reach out now to reserve yours and help us close this chapter with joy, laughter, and fresh powder.

With gratitude,
Robin

End the Year with Something Extraordinary
37 Days Away
November 9-21, 2025

November is right around the corner, and we're heading to Peru for one last incredible group adventure of 2025!

You can still join us — but the Machu Picchu tour part of the trip will be a little different from the one the main group is doing. Give us a call and we'll walk you through the details.

Or, if you'd prefer something more personal, we can build a similar custom trip for you, your family, or your friends. With a custom trip, you can do as much or as little as you'd like — it's all about your pace and your interests.

Our journey takes you deep into the Sacred Valley, where ancient Inca history, vibrant culture, and stunning landscapes all come together. You'll explore Machu Picchu, wander colorful markets, learn traditional crafts, and experience adventure in every form — from hiking and biking to rafting and kayaking. Along the way, you'll join local ceremonies, enjoy authentic Peruvian cuisine, and truly connect with the spirit of this incredible country.

This experience is a true immersion into Peru's soul. And since it's our final group adventure of the year, it's the perfect time to join if you've been waiting for a sign!
