Steppin' Out: A Leap of Faith That Changed Everything

On October 31, 1993, Ben Harris, Wendy David, and I (Robin Richman) invited a group of strangers to a high ropes course to test an idea: could an adventure club for Jewish professionals take off? That day sparked something extraordinary.

We didn't just climb ropes, we climbed into each other's lives. From that first wobbly step, Steppin' Out became more than an idea. It became a passport to places we never dreamed we'd explore: Bhutan, Rwanda, Peru, Bolivia, Thailand, Cuba, Tanzania, Zimbabwe - and the list keeps growing.

We didn't build a club, we built a community. Steppin' Out gave us courage, connection, and a whole lot of stories that start with "You're not going to believe this…" It's been a gift to see the world, and each other through this wild, wonderful lens. But the real journey has been the friendships. Lifelong,

laugh-out-loud, cry-on-your-shoulder, “remember-that-time-in-the-jungle?” kind of friendships. We’ve shared adventures, misadventures, and more inside jokes than we can count.

While our roots were in Jewish singles travel, Steppin’ Out has evolved. Today, we craft custom journeys for families, incentive groups, and honeymooners—like the one we’re currently planning to Japan. We still offer trips for Jewish professionals, but the heart of Steppin’ Out is about connection, curiosity, and unforgettable experiences.

So let your dreams go wild. Whether you're chasing mountaintops or quiet moments, Steppin’ Out’s experience will take you there, with joy, heart, and a little bit of humor.

From the bottom of my heart, thank you for being part of this ride. And if you think the past was fun… just wait to see what’s coming next.

Stay curious. Stay connected. Stay tuned.

-Robin

After three unforgettable decades of carving down mountains, sharing laughter, and building lifelong friendships, we're wrapping up our group ski adventures with one last final, epic group trip — and we'd love for you to be part of it!

We're heading to Steamboat Springs, Colorado, where comfort meets adventure. Picture this: long days on legendary slopes, evenings soaking in the hot tubs, and nights filled with stories, laughter, and a sense of community that only Steppin' Out can bring. Our shared condo will be the heart of it all - the perfect spot for après-ski fun, fireside hangouts, and spontaneous memories that will keep us smiling long after the snow melts. Right now we only have two rooms left for the full week, so if you are planning on joining us for the full week, speak up now.

And here's something special, we've put together a brand-new **YouTube video** recapping years of incredible ski memories. Watch it, relive the good times, and get inspired for one more run together.

This trip isn't a goodbye. We will be happy to offer different type of ski group trips -for those who ask and for those who want a different model. In the meantime, let's toast to the adventures behind us, and to the new ones ahead. Whether you're a longtime skier with us or it's your first time joining, Steamboat Springs is the place to be.

Let's make this one count!

🌙 Travel Off-Season for a Deeper Experience 🌻

Sometimes the best way to see a destination isn't when it's busiest - it's when it's quieter. Traveling off-season means fewer crowds, more space to explore, and often better prices.

The real magic? A more authentic experience. Markets feel local, festivals lived-in, and interactions with residents easier and more genuine. Restaurants and guides aren't overwhelmed, letting you truly connect with the culture, cuisine, and way of life.

For example, Europe in the winter has a special kind of magic. Escape the summer heat and roaring crowds - stroll through Prague's fairy-tale streets, dusted with snow and sparkling with cozy lights, or sip hot chocolate at a quiet café in Budapest, watching the Danube shimmer under frost. Explore Seville or Lisbon in the cooler months, when the plazas feel calm and sunlit but not packed.

More fff-season wonder - Imagine Japan in early spring before the cherry blossom crowds, hiking through serene Patagonia in late fall, or discovering Morocco in late autumn, when the desert is peaceful and the medinas feel like a secret world.

Off-season trips reveal hidden gems, quieter trails, and a slower pace that lets you savor the destination fully. Less hustle, more heart — see the place, and yourself, in a whole new way.
