

THIS MONTH:

Our Steamboat Adventure Complete!

Our trip to Steamboat Colorado was absolutely amazing! From dinners and whiskey tasting to skiing up a storm on the mountain, and even enjoying our own version of Karaoke and a drunken game of spoons.

While the skiing was the highlight of the trip for most, with perfect conditions and amazing scenery, it was the camaraderie that everyone enjoyed. With people coming from Los Angeles, Philadelphia, New Jersey, Boston, Toronto, Montreal, Pittsburgh, Chicago, Seattle, New York, Washington DC, Denver, Boca Raton, Detroit and Phoenix. Many of the people who only booked the four night trip It was an unforgettable adventure. Everyone hit the slopes hard, and it was a thrill to ski down the mountain and take in the stunning views.

We also had our own Purim celebration, complete with acting out Jim Winston's creative, modern Schpiel, which was a blast for everyone (who stayed awake). Plenty of laughter and fun (and shots of tuaca) was shared by all.

All in all, it was an unforgettable trip filled with fun, adventure, and great memories. We can't wait to travel with new and old friends again and create more amazing memories together. (Thinking Telluride next year)

Questions About Our Tanzania/Rwanda Trip? :

🌐 We hosted a Q & A last week for people to learn out the amazing trip we've put together for our East Africa Adventure set for August 19-27/August 27-September 2. Participants from past trips joined to answer questions and give others a feel about traveling with Steppin' Out. If you want to hear what went on, [click here](#) to get your questions answered. But don't procrastinate, going at this peak time (wildebeest migration) means we can't hold rooms too much longer.

Struggling with the cost? It's an expensive trip, we realize that. But we so want to share the experience with you that we are willing to offer an extended payment plan, with smaller monthly payments through to the end of the year. Explore the incredible wildlife and cultures of these beautiful countries. Interested? Email me directly to learn more!
