

## Meet The Team!

Steppin' Out is growing!

There are so many programs and trips I want to do and offer, including more custom trips, family trips, volunteer trips and events, environmental trips, wellness retreats and more that I knew I needed to put a full team together to make it all happen.

Please join me in welcoming our newest team members. Kait, Debbie, Erin, and Dani all have a passion for sustainable travel and serving you at Steppin' Out Adventures. I can't wait to share more with you.

As you can see from the clip above, our trip to Tanzania and Rwanda is filled with being in the wild, up close and personal with wildebeests, elephants, lions, gorillas and more. Being invited as guests to people's villages where we learned their culture and traditions and were able to give our hand at some of their crafts. One of the most magical trips we do. Plus this year we have some special additions. In Tanzania we will be there as the Wildebeest cross over to Kenya. we've never seen that magnificent crossing before. Plus, in Rwanda, we will join a community celebration and music festival. You can do one country or both. Check out the itineraries of both and contact us ASAP if you want more information.

**STEAMBOAT SPRINGS**  
**Colorado**  
**March 4-11, 2023**

Take your next ski vacation to the top! The Matterhorn is Switzerland's most iconic pointed peak and one of the highest mountains in the Alps. The beautiful village of Zermatt lies at the foot of this peak and is known for its on mountain apres ski, quaint chalets, and world-class restaurants and hotels- including our 4 star hotel, Hotel Alex. One Spot Left!

Steamboat is one of our favorites! With the champagne powder snow and its cowboy town, it has all the elements of a great ski trip. Terrain for every level skier or boarder, great and affordable restaurants and upgraded lifts for quick access. Staying on mountain at the Steamboat Grand, we have all the conveniences.
